

Roald Dahl's Willy Wonka

Dear Parents,

Welcome to Kids' Cab 2016! We are excited to begin work on our 28th show, this summer's production of Roald's Dahl's Willy Wonka. Having grown up with Kids' Cab, we are committed to providing your children with the opportunity to be in a full length musical while enjoying some summer fun!

In order to ensure a successful and enjoyable experience, it is very important that all cast members attend the rehearsals they are called for, especially Super Sunday, and especially as we approach opening night. Below are several of the key dates, Chorus rehearsals are held every Wednesday evening; lead and ensemble rehearsals are held Monday, Tuesday, and Thursday nights—a more specific schedule will be available on a weekly basis.

We require an \$80 participation fee, which includes a t-shirt. For each additional sibling, the cost is reduced to \$65. Permission slips for the show and parade will be handed out at the upcoming parents meeting and will be available over email. It is critical that we have both of these things by Super Sunday at the very latest.

Our email address is kidscabaret02043@gmail.com. Feel free to direct any questions, comments, or concerns you have there and be on the lookout for forms and other information from us over email. If your child needs to miss rehearsal, the best way to tell us is through email.

Dates of Note:

Chorus rehearsals will be held every Wednesday from 6 to 8pm (possible changes to 6 to 9pm as we approach opening night) beginning June 15th at St. John's Church, then Hingham High School beginning June 29th.

Lead and Ensembles will have rehearsal Monday, Tuesday, and Thursday evenings from 6-9pm.

Callbacks will be June 11th from 9am to 2pm.

Super Sunday will be held July 17th. Chorus rehearsal is from 2-9pm. Leads and Ensembles will be called earlier.

Dress Rehearsals are July 25st and July 26rd from 6 to 10pm. *No dress rehearsal July 27th*

Shows are Thursday, Friday, and Saturday July 28th, 29th, and 30th.

There will be a cast party on Sunday, July 31st.

Thanks, we look forward to a great summer!
